Paideia Project-Incubator 2024 Application Form

① PERSONAL DETAILS   **2** PROJECT DETAILS

APPLICATION DEADLINE: March 24th, 2024.

APPLICATION GUIDELINES

As an applicant, you need to:

- suggest a concrete and feasible project, involving Jewish culture and taking place in Europe (in one or several places). The proposed project could either be new or be an already existing project that is currently under development towards its next phase.
- participate in the Project- Incubator in full (July 1-10, 2024)
- be available to work on realizing the project during the next year (2024-2025)
- participate in two progress check-ins organized during the next year (2024-2025)

SELECTION CRITERIA

Project qualities:

- the project must respond to a specific need, be feasible and logical
- the Jewish-European dimension of the project
- projects should have a clear social benefit

Applicant's personal qualities:

- capacity and experience in the project's field and in leading projects
- proficiency in English
- willingness to share experiences and knowledge with others
- a background in Jewish studies and/or active involvement in Jewish culture

Please submit your application at the end, incomplete applications will not be reviewed.
You should receive an email confirming the receipt of your application immediately after you have sent your application.

Questions regarding the application form or the acceptance process can be sent to:

Please note that this paragraph might be printed in Incubator materials.

What is the current status of the project? *

◯ Idea stage

◯ In process of realization

◯ Pilot stage

◯ Up and running

◯ Running and moving towards expansion

Please describe why this project is important *

Please describe the community/context in which this project is to take place *

Please include number of people, religious orientation (if any), history, organizations involved in Jewish culture, institutions and Jewish activities.

Please describe the target group for your project *

Please describe the target group including number of expected participants, age, potential affiliation and other relevant characteristics.

Proposed starting time and duration of the project *

Your role/position in the project *

Please state what would be your exact participation in the execution of the project.

Please give an estimated budget for your project

Please list the main items that will need funding and the estimated cost for each.

Can you think of possible funding sources that might assist in realizing the project?

Can you think of an organization that would host your project? Do you already have a relationship with this organization?

In order to realize your project, you will in many cases need to do it under the umbrella of an established organization. If so, please let us know if you have an organization in mind already.

Please describe how you came up with the idea for your project *

Please describe how you will measure the success of your project. *

In which way do you think the Paideia Project-Incubator can make a difference for your project? *

Please note that the Project-Incubator does not fund projects.

How available will you be to work on realizing your project during next year (2024-2025)? *

Paideia expects and anticipates all participants to be dedicated and motivated, e.g. participate in the Project-Incubator in full (July 1-10, 2024), be active in the program, hand in assignments in time, participate in progress check-ins during the next year.

◯ Yes, I understood my responsibility and commit myself to fullfill the obligations

Do you give Paideia consent to process your personal data according to GDPR regulations?

◯ Yes, I give Paideia consent to process my data in accordance with GDPR.

Paideia processes the data in accordance with the EU's General Data Protection Regulation (GDPR) 2016/679, the Data Protection Act 2018:218 and other relevant legislations.
Paideia processes personal data in order to fullfill its task as a public authority and university (Folkhögskola).
Only personal data required for these purposes will be processed.
